ALBERTA CHALLENGE!

November-December 2021!

NOV. 1 – DEC. 31, 2021

The Alberta Challenge is our annual public fundraising campaign where members of the veterinary community can join together with animal lovers and businesses across Alberta to provide aid for pets in need.

From November 1 through December 31, 2021, veterinary clinics and local groups/businesses lead small fundraising events to raise public awareness and funding for Tails of Help to fulfill our mission:

Help us keep more four-legged members of low income Alberta families healthy and happy for years to come!

In September 2019 Tails of Help had to place a temporary suspension on applications due to running low on funding.

Your support is vital: Donations made during the Alberta Challenge enable us to keep saving more pets. Help us to save more pets in 2022!
